

Todd Hennis and his geologist has permission to enter the Red And Bonita only with Mr.

Hennis' written agreement to the following:

- 1 Mr. Hennis will provide a waiver of liability for EACH person entering the Red and Bonita- stating that Mr Hennis assumes all risks associated with the access.
- 2 Mr. Hennis will indemnify David and Stephanie Hendrick for any and all legal expenses that may arise from this agreement.
- 3 Mr. Hennis will fully and immediately co-operate and negotiate in good faith with all requests of EPA to proceed with EPA exploring the feasibility of options to address the problem.
- 4 Mr. Hennis will provide a copy to owners of geological findings pertinent to the Hendrick's mining claim, that results from inspection.
- 5 Mr. Hennis understands that access is limited to when EPA is present, during the summer of 2013 and only when EPA determines when it is safe to enter the Red and Bonita tunnel.
- 6 This agreement is a one time access agreement and any subsequent access by Mr. Hennis or his representative, will be determined in a separate agreement.

David and Stephanie Hendrick
